Dear Mr. Weisberg,

I have finished reading Whitewash II and Photographic Whitewash and I enjoyed them very much. I would now like to proceed to Whitewash and Whitewash IV. Enclosed is my order and a check for $13.00.

Thank you very much for giving me Mr. Groden's address, I appreciated it very much. However, I have written to Mr. Groden 3 times and yet he refused to answer. I even checked the address out with the operator in New Jersey, it was correct. So I give up!

I hope you have a very Merry Christmas and a Happy New Year!

Sincerely,

Kenneth Johnson
